

JUNE 2024
Monthly Newsletter

HOME UPDATE

Although the month of June began with the weather a bit chilly and rainy, we kept busy and had fun at Moor House. Later in the month when the weather improved the gazebos were put up in the garden and we enjoyed the sunshine and more outdoor activities.

National Carers Week was also in June and everyone at Moor House got together for a special afternoon.

We marked the 80th anniversary of D-Day with memories and a special afternoon tea.

↓ In this newsletter you will find:

News from our June activities, trips & things to look forward to in July!

Cookery with our Chef

CUPCAKE DECORATING

Residents helped Alan our Head Chef. They rolled out royal icing and cut into shapes to decorate the cakes for afternoon tea, which everyone enjoyed.

Trips Out

GARDEN CENTRE & WALKS

Residents had a lovely afternoon looking around Weybridge Garden Centre. The ladies particularly enjoyed browsing through the clothes and the aquarium was very interesting. We finished the afternoon with delicious tea and cakes.

With the weather improving, we went out for a walk along Vicarage Road and chatted with our neighbours along the way. We admired everyone's gardens with pots of colourful flowers and walked up to see the horses at the top of the road.

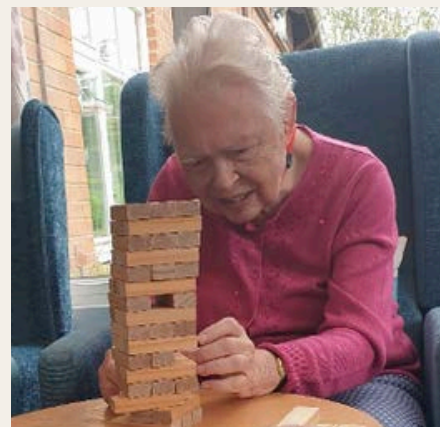

Lounge Sports & Games

KEEPING ACTIVE

We played several indoor games during June. Table Tennis, Carpet Bowls, Armchair Football, Balloon Tennis and our homemade game, Target Seven.

We had some fun with the Super Skills Game and of course the usual favourites, Dominoes, Jenga and Scrabble to name just a few.

In the lounge, our daily activities table is a favourite with some. Residents can find a new word puzzle, crossword, spot the difference and pictures to colour every day, as well as magazines.

Pets Corner & Garden Club

ANIMALS & NATURE

Alan the chef brought Cleopatra his pet python in for the residents to see.

Garden club is going well with the fruit and veggies growing in the Moor House garden and residents have helped to pick the strawberries and tidy the raised beds. We made new signs for the garden too.

Moor Teas

INDULGE & ENJOY

The sun was shining on the afternoon of Wednesday 26th for our monthly community afternoon tea, 'Moor Teas' and some of our residents and visitors sat in the shaded area in the garden enjoying the tea prepared by our Chef Alan.
