HOME UPDATE

What a busy month we had in December! We started the month with Christmas arts and crafts and taking a trip down memory lane with a box of toys borrowed from Chertsey museum. Residents decorated trees for their rooms and around the home. Neil gave a talk on the history of Christmas in Staines and The New Egham Singers came to Moor House for a carols evening.

We had a great Christmas party with residents and their families and friends. A carols afternoon with the Watts family and a Christmas Eve show with Jess.
