## HOME UPDATE

We welcomed a new entertainer to Moor House in February. The wonderful Katie from 'Tap About Town'.

We also met, Heather from 'Compassionate Hands' and residents relaxed and enjoyed aromatherapy with hand and arm massages. Both Katie and Heather will be returning to Moor House.

## Outings

### GARDEN CENTRES

With staff, volunteers, and retired carer Hazel, we took a group of residents to Savill Garden. We looked around the shop, had afternoon tea and took a brief walk outside. It was great to see Hazel again.

We also took a small group to Weybridge Garden Centre, we especially enjoyed looking at the aquarium. Jenny and Jean couldn't resist trying on some of the Easter wear!

## Musical Entertainment

### SINGING & DANCING

What an afternoon we all had with Katie from 'Tap About Town'! Katie brought her own tap floor and amazed us all with her tap dancing. Residents danced with her too, and everyone said what a fabulous afternoon it had been. Katie will be returning to Moor House in May.

David, once again, sang some of our favourite songs and some we haven't heard in a long time. Residents danced and sang along.

## Nature

### WINTER WALKS

Winter walks continued and residents eagerly checked the garden for signs of spring, finding snowdrops and crocuses and the first signs of daffodils coming through.

## Pets Corner

### FUN WITH FURRY FRIENDS

Linda brought Teddy her dog to visit us and a week later Purdy, the black labrador visited us too.

## Fun & Games

### INDOOR ACTIVITIES

Lots of games were played during the month, with a prize hoopla taking place on Valentine's Day.
