HOME UPDATE

May was another busy month! Lots of outings, entertainers, dancing, and an amazing V.E. day 80th anniversary celebration. And at the end of the month, we spent an evening with the local guides.

News from our May activities, trips & things to look forward to in June!

Ice Cream Van

SUMMER TREATS

Everyone got to meet Michael as he arrived in his ice cream van. As he entered the car park we could all hear the unmistakable jingle, telling us Julianella's Ice Cream van had arrived, and there was soon a queue of residents, staff and visitors.

The ice cream van jingle can now be heard in Moor House car park, fortnightly on Thursday afternoons.

Nature & Pet's Corner

GARDENING & WALKS

There were walks to the Lammas Park, and to see the horses. Residents kept checking the Moor House Garden, as various plants started to flower. The roses are particularly beautiful this year and Moor House has many, in the front and back gardens. There was some weeding, and planting to be done too.

Linda visited with Teddy the Dog, and Caroline brought Poppy and Daisy for several visits too.

Arts & Crafts

V.E. DAY & FLOWER ARRANGING

There were lots of flowers to be arranged to decorate our home, and pots to be planted with red, white and blue flowers for the V.E. Day 80th anniversary. Our art group, made sure we had some flower pictures to display during Chelsea flower show week, and of course we had to get the flowers bingo out that week.

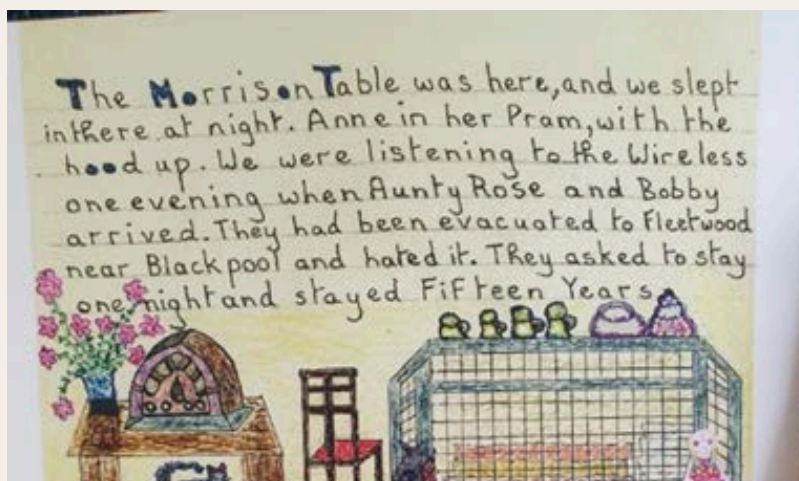

V.E. Day

80TH ANNIVERSARY CELEBRATIONS

On V.E. Day 80th Anniversary, residents had lunch in the garden, the ice cream van then arrived. Afterwards, families and friends joined us for a singalong with Chris, and afternoon tea. Our volunteer Sue and her husband Neil, were a great hit with everyone, dressed in 1940's style, for the occasion.

As part of our 80th Anniversary celebrations, one of our wonderful residents, Pat, shared her book of her childhood memories with us.

Trips

OUT & ABOUT

May's outings on the minibus were to The Thames Court in Shepperton for a drink by the river, also to Squires Garden Centre, Brooklands M & S, and to our 'Local', The Bells, for lunch. We also had two minibus trips to Christ Church in Staines for the Sunday Service, followed by tea and coffee and a chat.

Entertainment

SINGING & DANCING

Simon from 'Best Foot Forward' got everyone up dancing, Katie with her 'Tap About Town' show had everyone dancing too, and Chris entertained us on the V.E. Day 80th Anniversary.

And we had a resident's birthday in May
