Our Garden

OUTDOORS

Alex and Terry helped look after the vegetable plot, as there was a lot of watering to be done through sunny August.

Moor Tea

COMMUNITY OUTREACH

We held our community afternoon tea and what a busy teatime it was! It was lovely to see so many residents' families and friends, and it was the same day as Ruth's birthday and so everyone helped her to celebrate.

Remembering Carol

OUR DEDICATED VOLUNTEER

During August, sadly our dear volunteer Carol, passed away. Carol had been a volunteer at Moor House since 2010.

Carol was always the first person everyone saw at Christmas parties, fetes and garden parties, as she welcomed visitors at the front door with a raffle. Carol ran our gardening club for many years growing vegetables with the residents' help, and played Scrabble regularly with residents on Monday mornings. During Covid lockdown, Carol emailed a quiz for residents every day and wrote to residents. Carol also took the church service every Friday morning, and after she passed away we held a special service here at Moor House, in her memory.

Carol will be missed by everyone at Moor House.
