## SINGING & DANCING

We had a singalong afternoon with Paul. Singing and dancing with Matthew and his ukulele, and a fun afternoon with Terry Gleed.

### VOLUNTEERS AT MOOR HOUSE

During November we had a group of volunteers, spend the morning with us. Residents played Scrabble, had nails painted, and chatted with the volunteers. We then split into teams for Ross's quiz, which was great fun.

Towards the end of the month, the Staines Guides spent an evening with us. Residents reminisced about being in the guides, brownies and scouts and hobbies they'd had. Residents enjoyed playing the games the guides brought with them. We look forward to seeing the Guides again at Easter.

## ARTS & CRAFTS

It was time to update everyone's scrapbooks in November and residents sorted through photographs to put in their books.

## FEELING SPECIAL

It felt extra special for residents to have manicures and hairdressing take place in the newly refurbished room.

## WINTER WALKS

Residents went on a lovely weekend walk with Laura and Birendra.
