Monthly Newsletter

HOME UPDATE

This month we have been lucky to get out on our Minibus. We went to Virginia Water Lake. The weather was good and it had a lovely café overlooking the water.

We also enjoyed a trip to our local Garden Centre where we bought some seeds to plant out in the next couple of weeks. Watch this space!

The residents have enjoyed multiple Entertainer's, Bingo, Quizzes, Knitting, St George's Day Games, sunny afternoon's enjoying the garden and lots of laughter! It has been a very enjoyable month.
