

MAY 2026

Monthly Newsletter

HOME UPDATE

What a glorious May it has been with the weather. A little too hot at times but we have managed to keep cool and have had lots of fun and enjoyment.

It has been a busy month of trips, baking, a birthday, walks in the garden, entertainers, quizzes, gardening, lounge sports and of course a game of Bingo or two!

↓ In this newsletter you will find:

News from our May activities, trips & things to look forward to in June!

Outings

GETTING OUT AND ABOUT

We went out on our minibus to Hounslow Urban Farm. We saw an array of animals including ponies, reptiles, goats and lammas. There was a lovely café there also for a well needed cuppa.

Entertainment

MUSIC & DANCING

This month we have had Paul in playing the keyboard along to some old classics and Terry in for some singing, lots of jokes and dancing.

The lovely Paul came in to play the keyboard. We do love a good singalong. He plays some wartime classics which everyone loves singing along to and all the words come flooding back.

Baking Up A Storm

CUPCAKES

One of the resident's favourite things to do is Baking Cupcakes. They love to weigh everything out and enjoy mixing all the ingredients together. They are very proud when they come round on the afternoon tea trolley and the tasting is the icing on the cake literally!

National Bee Day

QUIZZES

It was National Bee on Wednesday 20th May. We celebrated by doing a Bee quiz and learnt some interesting facts about Bees. We sampled some honey on crumpets which was tasty!

Games

STAYING ACTIVE

In our quieter periods the residents do love a game! They get very competitive!

Ice Cream Man

MAKING THE MOST OF THE SUNSHINE

We were very excited to have the Ice Cream man coming to visit us again. The funds raised from our Raffles has been able to pay for these which is lovely. It is very nostalgic for our residents.

Julie's Retirement

THANK YOU

This month we celebrated Julie our Activity Managers retirement from Moorhouse.

27 years is an amazing amount of time to have worked here and everyone was very sad but also grateful that she will return as a volunteer when she can which is great news!

Birthday's

CELEBRATIONS

This month we celebrated the lovely Sheila's birthday. She also was lucky enough for a visit from the Ice Cream man.

Library Opening

REFURBISHMENT NEWS

Our new library opened in May. It is such a lovely place for residents and families to sit and chat, read or play a game. There is a vast array of different books, games and comfortable seating.
