

JUNE 2026

Monthly Newsletter

HOME UPDATE

June has been a glorious month for the residents at Moorhouse in more ways than one!

It has been a busy month of trips, baking, 3 birthday's, entertainers, quizzes, gardening, lounge sports and some less strenuous watching of Royal Ascot, Tennis Open, Wimbledon and the World Cup.

↓ In this newsletter you will find:

News from our June activities, trips & things to look forward to in July!

Outings

GETTING OUT AND ABOUT

We went out on our minibus to Penton Hook Lock and a trip to the seaside at Bognor Regis.

At Bognor Regis as well as seeing the sea, there was a visit to the seaside shop, fish and chips, ice cream and meeting lovely Julie!

Penton Hook Lock is always a favourite with the residents as it is a nice short walk, plenty of lovely benches to sit on and of course the Ice Cream Man.

Entertainment

MUSIC & DANCING

Early June we had Daniel Brewerton singing for us. The residents always enjoy his mix of "Rat Pack" songs.

David and his Accordion. David is also a singer and lots of jokes along the way!

Hannah's Character Show of Singing and Dancing. Hannah is a new Entertainer to Moorhouse. She has many costume changes such as Mary Poppins, Dorothy and Leggy Linda. Singing and dancing to songs such as Abba, Grease and wartime classics. The residents loved singing along.

Our friend joined us for a lovely afternoon of singing, dancing and lots of laughter.

Decorating Moor House

FLOWER ARRANGING

The monthly flower arranging is always enjoyed by the residents. They enjoy making the dining room and lobby look colourful.

Dressing The Part

ROYAL ASCOT LADIES DAY

On Thursday 18th June we had Ladies Day for Royal Ascot. The residents made their own fascinators, watched the racing, did a horse quiz and had afternoon tea.

Garden Update

OUR VEGETABLES

Back at the beginning of May you may remember we went to Notcutts Garden Centre and bought some vegetable seeds. Then we showed photos when they first started to come through.

Also we showed the start of the Sunflower Competition.

We thought we would update you with these photos. The lettuce, bettroot, basil, tomatoes, spring onions and corquettes are all doing amazing! Dot appears to be leading slightly in the Sunflower Competition currently.

Birthday's

CELEBRATIONS

This month we celebrated three birthday's 12th, 13th and 14th June with Pat, Joyce and Rosemarie. It was a speical 90th birthday for Rosemarie.
