

AUGUST 2026

Monthly Newsletter

HOME UPDATE

Wow what hot lovely weather we had in August, it was a month mainly of trying to keep cool in the heatwaves. We did lots of indoor activities as most days it was dangerously hot to go outside. Jigsaw Puzzles became a big hit! We learnt new songs to sing along to, discovered round the world city walk videos that made us feel like we were actually walking the streets of Paris, Amsterdam and many other famous cities.

↓ In this newsletter you will find:

News from our August activities, trips & things to look forward to in September!

Entertainment

MUSIC & DANCING

Maria the Bellydancer - We had a new duo come and entertain us. A husband and wife couple Bellydancer and Drummer. It was such fun with our jingle jangle belts dancing and learning a few new moves!

Hannah - The wonderful singer Hannah came in and to sing and entertain us. She organised a Moorhouse Wizard of Oz Singalong including costumes which was great fun!

Entertainment

MUSIC & DANCING

Terry - The wonderful Terry came to entertain us and once again we had smiles and laughter from start to finish!

Most days the residents break into a dance at some point which is not only good for their bodies but also their minds too as they laugh lots too.

Flower Arranging

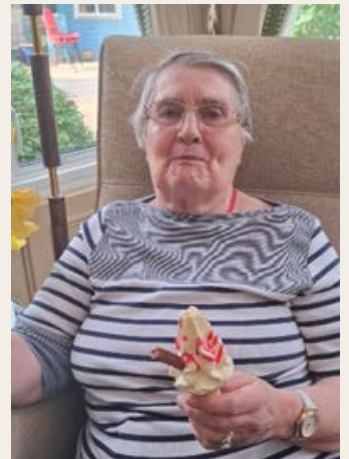

DECORATING OUR HOME

Twice a month the residents take such pride in arranging the flowers for the dining room tables and lobby area.

Ice Cream Man

KEEPING COOL

Ice Creams and Ice lollies were much needed in August with such hot weather so were very much appreciated.

Walks

FRESH AIR

By the end of the month we were able to get out down our lane to see the horses in the fields and always have a friendly chat with the locals along the way.
