OCTOBER 2026

Monthly Newsletter

HOME UPDATE

What a glorious, busy October it has been! The weather has been mild and we have even been out in the garden for lots of walks, trip on the minibus, and walking down to see the horses. We have been so spoilt with a whole different array of entertainment plus making lots of our own. We finished off the month with Halloween. Building up to it was great fun decorating, baking and having a party!

In this newsletter you will find:

News from our October activities, trips & things to look forward to in November!

Entertainment

MUSIC & DANCING

Maria was great fun as always and made us smile a lot and move our hips. She always brightens up the day and her husband plays on the drums.

Daniel came in and sang lots of the classic hit songs from the 1940's and 50's. His voice is so amazing and the residents always love him coming in.

David not only play the accordion but also sings and tells lots of jokes along the way. A real crowd pleased always!

The residents always look forward to Hannah coming in. She is an old round entertainer who both sings, dances and dresses up in different costumes and characters which the residents are getting to know. The staff love to dress up too!

Flying Visitors

BIRDS OF PREY SHOW

We were lucky enough to be visited by Colin who bought in half of his Birds of Prey. He talked about the history of Falconry, about each Bird's life story, what they eat and their behaviour patterns when flying and hunting.

Trip

NOTCUTTS GARDEN CENTRE

We had a trip out on the minibus to Notcutts Garden Centre. We went to look at Halloween Decorations but there was also Christmas ones just arrived! Elsie chose a bear with her name on and tea and cake was enjoyed in the restaurant.

Walk

HORSES

The weather has been mild and we are still enjoying our walks out down the lane to see the horses.

Autumn Crafts

HALLOWEEN THEMED

The residents have enjoyed afternoons painting Pumpkins and Baking Ghost Cookies for our Halloween Party. They find painting very therapeutic and using rolling pins reminds them of their childhood they told us.

Halloween

PARTY TIME

We ended the month with an amazing Halloween Party for residents and their families. Sally our chef did a huge spooky buffet, we sang to Halloween songs and tested our Halloween trivia with a quiz.

Celebrations

OCTOBER BIRTHDAYS

This month we wished a very Happy Birthday to Terry and Roy.
